GlobalSchoolPlay

Most parents overestimate the perils of speeding traffic. Keeping children safe in designated playground and school zones is TOP priority. Drivers must protect children by slowing down. It is a surprising statistic of how many do not.

GlobalSchoolPlay has been designed to specifically keep the children safe. A mobile platform allows the system to be set up anywhere, anytime. Portable signage will identify targeted high infraction or identified problem areas.

GlobalSchool/Playground Zone Advantage

- No upfront costs
- Compliant in all jurisdictions*
- Calibrated continuously for the most accurate reporting
- Full court support
- Complete processing department in-house
- High resolution image recording uploaded daily for viewing

* certain jurisdictions may change regulations and required updating
